

*Buongiorno,*

*We have recently received quite a few requests to put together another meet and greet social event. These gatherings give our members and guests, especially our newer “residents, an opportunity to get to know each other. A chance to possibly make some new friends , maybe even share some tales of our earlier years or even plan to make new stories.*

*This “social” will feature a delicious authentic style Italian Sunday afternoon lunch. Fresh pasta with “homemade” sauces (“gravy”), meatballs, sausage, salad, and desert. For your pleasure, this is also a BYOB event for wine and beer. Water will be provided.*

*The music will be soft background until about 6:00PM , then the dancing will begin.*

*No need to be concerned about the weather as there will be open seating, on tables of 4 in the Independence Center courtyard and the adjoining rooms.*

*Members \$15 Guests \$20. Please see the reservation form below.*

*As we always say. “If you would like to meet warm people while sharing various aspects of the beautiful Italian Culture come join us.*

*We look forward to seeing you there.*

*Ciao for now*
